### PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<b>Compulsory</b> REVISION comments	<ol style="list-style-type: none"> <li>1. The title should be re-edited as suggested in the author's attached manuscript.</li> <li>2. The paper suffers from many language errors and so it is in need for language editor.</li> <li>3. The sections of the paper are not in the usual order of the scientific papers and so they should be reordered as stated in the author's attached paper.</li> <li>4. Results are not clear enough and readable for readers. So ever section needs a summary at the end.</li> <li>5. Results are not discussed in light of the findings of studies in the same field of study.</li> <li>6. Half of the references are too old and so they do not suit the knowledge and technology explosion we are witnessing nowadays.</li> <li>7. There are many ideas that need rehashing.</li> <li>8. Many statements inside the paper are just the author's claims. So proofs are strongly needed.</li> <li>9. For more information, you can refer to the author's maim paper attached with this report</li> </ol>	
<b>Minor</b> REVISION comments	The author is advised to refer to new and recent references	
<b>Optional/General</b> comments	I recommend that the author have a look at the comments placed inside the attached paper and take advantage of them
