PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	The research work is an essential contribution in the field of decision-making in graduate students, since it makes it possible, through the scientific theories used, to give a perspective of maturity and solidity to the substantive ideas used; in this sense, the contribution of the researchers to educational administration is recognized. Likewise, it is worth mentioning that the scientific article meets the current technical, methodological and scientific conditions that help to a better understanding of the subject explained with much theoretical and philosophical consistency. In its development, it is possible to observe a good development of each one of the sections that have been worked in a correct and orderly manner.
