PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	<p>This is an interesting study and the authors have collected a unique dataset using cutting edge methodology. The paper is generally well written and structured.</p> <p>However, in my opinion the paper has some shortcomings in regards to some data analyses and discussions, and I feel this unique dataset has not been utilized to its full extent in the discussion part.</p>	
Minor REVISION comments	In several instances I also suggested to have a theoretical support for the study.	
Optional/General comments	Overall, the information presented represents valuable information regarding the social media tools in Moodle for teaching writing skill of non-English major students.	

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
