PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	Abstract far exceeds the journal's length requirements. It contains a lot of information, for example, on methodology and statistics, which are unnecessary in the abstract, but should be in the text.	
Minor REVISION comments	The text describes the quasi-experiment on the effect of self-instruction on bullying tendency among secondary school students. The issues are important and interesting, and the text itself is properly prepared. However, the limitations of the conducted research are not discussed. Practical implications would also be worth pointing to.	
Optional/General comments		

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	<u>(If yes, Kindly please write down the ethical issues here in details)</u>
