PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	Congratulations to the author. Qualitative studies are very rare and therefore this study is really good. The study focuses on the issue which is found world wide and which needs attention and therefore takes credibility. Keep up your research interest.	
Minor REVISION comments	1. Title can be made short as -Gender and the meaning of work: A critical approach to career orientation. 2. "based on the cases of women working at the Megalopolis mines at the factory of the Hellenic Public Power Corporation (DEI)." This information can be added in abstract and main study under setting of the study 3. Please add a line about the consent from participants and the ethical clearance both in the abstract and main study 4. Mention what type of sampling was used ex: focus group interview both in abstract and main study 5. Mention that it was a qualitative research design both in abstract and main study 6. Please add conclusion in the end 7. Mention how many samples were selected and how many sessions were held for the interview.	
Optional/General comments	nil	

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	(If yes, Kindly please write down the ethical issues here in details)
