PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments		
Minor REVISION comments	This is an interesting manuscript that is written with the aim of providing response to Ghanaian political activist's arguments against compulsory vaccination. The authors have shown that mandatory vaccination is legal and ethical. This study is appropriate and well designed. The manuscript is suitable for publication and only requires minor revision. After this, it can be accepted for publication.	
Optional/General comments		

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	(If yes, Kindly please write down the ethical issues here in details)
