

## Review Form 1.6

|                          |   |
|--------------------------|---|
| Journal Name:            | <a href="#">Asian Journal of Orthopaedic Research</a>           |
| Manuscript Number:       | Ms_AJORR_80505  |
| Title of the Manuscript: | TEN YEARS POST BILATERAL TKR WITH LBA – PHYSIOTHERAPY CAN HELP? |
| Type of the Article      |   |

### General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<https://www.journalajorr.com/index.php/AJORR/editorial-policy> )

### PART 1: Review Comments

|                                     | Reviewer's comment   | Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here) |
|-------------------------------------|--|---|
| <b>Compulsory</b> REVISION comments | Physiotherapy may improve any LBA. The study mentions only one case report which is not statistically adequate for inference of results. |   |
| <b>Minor</b> REVISION comments      |  |   |
| <b>Optional/General</b> comments    |  |   |

### PART 2:

|  | Reviewer's comment  | Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here) |
|--|---|---|
| Are there ethical issues in this manuscript? | (If yes, Kindly please write down the ethical issues here in details) |   |
