Type of the Article	Original Research Article

General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<https://www.journalajpas.com/index.php/AJPAS/editorial-policy>)

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	1. Abstract page Use past terms, eg "We focused our attention..." 2. Introduction page a) Check the writing of \bar{y} and \bar{x} , that is their means for the sample variances formula, also in the covariance formula. Use proper equation editor. b) define properly the terms N and n as the population and sample sizes respectively in the formula after equation 1. 3. References and Citations Search for recent literatures to cite, for this will boost the work. Check for 2021, 2020, 2019 works. 4. Finally, I appreciate the authors of this manuscript for such an articulated work.	
Minor REVISION comments		
Optional/General comments
