PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	<p>English is missing vital syntax. Multiple typographical errors need correction (ie: missing capitals for people's names). The content of the paper is adequate for publishing however, there would need to be significant editing by a first language English speaker prior to publication.</p> <p>What is the data collection instrument? Where did this come from or was it made up by the researchers? If so, what is it based upon?</p>	
Minor REVISION comments		
Optional/General comments
