PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments		
Minor REVISION comments	Although it is not about the case, the meaning of the English is difficult to understand in some places, so it would be better to have a native speaker compose it.	
Optional/General comments	This is a case report of myocarditis, a serious complication of COVID-19. the COVID-19 pandemic is affecting the health of people all over the world with various complications. I think this is a very good and important report.	

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
