PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	<p>1. The title should use the word rind and the words in Port Harcourt, Nigeria removed:</p> <p>2. At the beginning of the abstract, the focus is made more on, for example what is the content of banana peels and what is traditionally used for medicine.</p> <p>3. In the Background section, it is necessary to add what bacteria usually cause Urinary Tract Infections and what antibiotics have been used for treatment in Port Harcourt, Nigeria.</p> <p>4. In the discussion section, the results of the analysis need to be discussed so that it can be seen whether the objectives of this research have been achieved properly or not.</p>	
Minor REVISION comments	There are no serious errors in this manuscript, just need to add background information and discussion.	
Optional/General comments	This manuscript deserves to be published	

Review Form 1.6
