Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	<p>Abstract Should be improved and reflecting the clinical case, results, and findings</p> <p>Introduction must be deepened significantly. Discussion too simplistic, authors must improve significantly.</p> <p>A table with all findings and highlight the most relevant ones would facilitate manuscript reading.</p>	<p>Abstract Should be improved and reflecting the clinical case, results, and findings</p> <p>Introduction must be deepened significantly. Discussion too simplistic, authors must improve significantly.</p>
Minor REVISION comments	<p>Fist we write fully and only after that the Abbreviation between brackets. Fig2 the amplification is in a very poor quality, not published, once we cannot identify properly what authors mentioned. CRP needs to be written fully first before abbreviation use. The text after Figure 4 seems to have fallen there without connection to the previous text</p>	<p>A table with all findings and highlight the most relevant ones would facilitate manuscript reading. Fist we write fully and only after that the Abbreviation between brackets. Fig2 the amplification is in a very poor quality, not published, once we cannot identify properly what authors mentioned. CRP needs to be written fully first before abbreviation use. The text after Figure 4 seems to have fallen there without connection to the previous text.</p>
Optional/General comments	<p>Easy to read, but needs to be deepen.</p>	<p>Easy to read but needs to be deepen.</p>

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	<p><i>(If yes, Kindly please write down the ethical issues here in details)</i></p>
