

Review Form 1.6

Journal Name:	Asian Journal of Research and Reports in Hepatology
Manuscript Number:	Ms_AJRRHE_80126
Title of the Manuscript:	Biliary Fistula: An analysis of two case reports with review of literature.
Type of the Article	Case study

General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<https://www.journalajrrhe.com/index.php/AJRRHE/editorial-policy>)

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	<p>Can include some information as below:</p> <ul style="list-style-type: none"> -Any published literature available discussing post ERCP patients of biliary fistula in terms of their recovery time, complications should be added for a rounded discussion. -One sentence regarding the role of intra-operative cholangiography in preventing bile duct injury during surgeries is suggested -Both case reports discussed in this case study involve secondary biliary fistulas, to be scientifically accurate, please include primary and secondary biliary fistulas and their definitions in introduction which would give a comprehensive approach to the reader. 	
Minor REVISION comments	<p>Too many small corrections to list here.</p> <p>All minor corrections needed are added as review of word document mark up, some grammatical errors and some language improvement corrections. All mark-up is in red. If authors don't agree with the changes, please change as their wishes.</p>	
Optional/General comments	<p>Very good manuscript, written fairly well.</p>	

Review Form 1.6
