

## Review Form 1.6

|                          |                                                                                                                                             |
|--------------------------|---------------------------------------------------------------------------------------------------------------------------------------------|
| Journal Name:            | <a href="#">Annual Research &amp; Review in Biology</a>                                                                                     |
| Manuscript Number:       | Ms_ARRB_80919                                                                                                                               |
| Title of the Manuscript: | Evaluation of the influence of some abiotic factors on the microbiological quality of some groundwater points in Soa sub-division, Cameroon |
| Type of the Article      | Original Research Article                                                                                                                   |

### **General guideline for Peer Review process:**

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<https://www.journalarrb.com/index.php/ARRB/editorial-policy> )

### **PART 1: Review Comments**

|                                     | Reviewer's comment                                                                                                                                                                                                                                                                                       | Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here) |
|-------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Compulsory</b> REVISION comments | Overall article is very good. There are few grammatical mistakes that Author(s) may want to correct it? For example, below: "collected" word has been repeated two times. Author may want to remove one<br>1) "Groundwater samples collected were collected from five hand dug wells in Soa subdivision" |                                                                                                                                                                               |
| <b>Minor</b> REVISION comments      |                                                                                                                                                                                                                                                                                                          |                                                                                                                                                                               |
| <b>Optional/General</b> comments    |                                                                                                                                                                                                                                                                                                          |                                                                                                                                                                               |

### **PART 2:**

|                                              | Reviewer's comment                                                    | Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here) |
|----------------------------------------------|-----------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Are there ethical issues in this manuscript? | (If yes, Kindly please write down the ethical issues here in details) |                                                                                                                                                                               |
