

## Review Form 1.6

Journal Name:	<a href="#">Current Journal of Applied Science and Technology</a>
Manuscript Number:	Ms_CJAST_86225
Title of the Manuscript:	Generation Mean Analysis for Yield and Drought Related Traits in Maize (Zea mays L.)
Type of the Article	Original Research Article

### General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<https://www.journalcjust.com/index.php/CJAST/editorial-policy> )

### PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<b>Compulsory</b> REVISION comments	<b>ABSTRACT:</b> Introduce the abstract by stating the overall objectives of the study (a sentence or two) <b>INTRODUCTION:</b> 1. This part lacks literature support – not even a single reference is made with cited literature 2. Background reference should be cited and indicated in the introduction <b>REFERENCES:</b> This referencing style does not synchronise well with what is in the text. If the numbering should be maintained as such, then intext should be in [ ] with the coded numbers at each point of reference, else, they should be arranged in alphabetical order	
<b>Minor</b> REVISION comments	Minor insertions and comments made, kindly check and effect them	
<b>Optional/General</b> comments		

### PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
