PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments		
Minor REVISION comments	Introductionis too long Referencesare old especially author mention incidence and prevalence of H.pylori in Mexico. Author can find more than one recent research for (helicobacter pylori in Mexico). Method author used only rapid urase test in this case and result was negative.author should be use PCR to be sure especially this article about single case and the negative result by using rapid urase test may be false (if the organism loads are low in gastric mucosa or distribution of h pylori in gastric mucosa is patchy.	
Optional/General comments		

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
