PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	<ol style="list-style-type: none">1. State the basic problem of your research.2. The language of this manuscript is very poorly written. This manuscript needs massive editing in English language and grammar by a native English speaker. Also, a major spacing problem were noticed all over the text. Please consider thorough editing on that aspect.3. Overall scientific term also needs to be edited. They are very informally written, which is not acceptable for publishing in a scientific journal in current format.	
Minor REVISION comments	<ol style="list-style-type: none">1. Abstract must be 250 words.2. In the abstract there is no need to include footnotes.3. Manuscript needs to be present in Journal prescribed format.4. Correct the typo writing.5. Correct the writing references.6. Multiple citations may be avoided.	
Optional/General comments
