PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments	<ul style="list-style-type: none"> ✓ The author/s cited limited references in almost all the literatures used in the introduction section. I suggested that add references in your citations. ✓ Revise the methodology section. Write the methodology section in depth. ✓ Add relevant findings in your study. ✓ Discussion section please revise your result and discusses the results according to previous findings related to your result. ✓ In the discussion section the authors used bullets. I suggested that write in paragraph for by avoiding bullets. ✓ Revise the conclusion section 	
<u>Minor</u> REVISION comments		
<u>Optional/General</u> comments	Do it again.	

Review Form 1.6
