PART 1: Review Comments

| | Reviewer's comment | Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here) |
|--|---|--|
| <u>Compulsory</u> REVISION comments | This article was not prepared very well yet about if the results are statistically significant and if their crop planning can be generalized. This study is more like a summary report of monthly rainfall in Kawardha district. It was not very straight to see the impact of Monthly rainfall variability and trend on crop production and productivity of different crops at Kawardha districts (they claimed so). | |
| <u>Minor</u> REVISION comments | Fix some inconsistent wording issues, such as: percent, per cent, % Make sure the references are cited uniformly. For example, the highlighted in green . Make sure the readers know what those abbreviations are. | |
| <u>Optional/General</u> comments | | |
