Type of the Article	

General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<http://peerreviewcentral.com/page/manuscript-withdrawal-policy>)

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	Location and year should be mentioned in the title	
Minor REVISION comments	<ul style="list-style-type: none"> The abstract need to be more extended. In order to provide an overview to the reader. Maybe it's better to define abbreviation used when mentioned for the first time, for example PJTSAU, FYM, RDF ... etc From my point of view, defining the period of <i>rabi</i> seasons and kharif will be a good addition to the reader 	
Optional/General comments	So many tables are there in the manuscript, I suggest adding charts/graphs reveals the overview of your statistics.	

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	<u>(If yes, Kindly please write down the ethical issues here in details)</u>
