PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	<ul style="list-style-type: none">• Check the manuscript thoroughly for the corrections given in red• Cite the references properly in the manuscript. E.g., instead of writing 'Molina et al. (2011) [1]' as in first line of your introduction, simply write [1]. You can write 'Molina et al. [1]...' when the reference starts a sentence.• Cite more references in your introduction section.• Some of your references are too old and should be replaced with new ones. E.g., all of them in your materials and methods section.• Tables 4 and 5 should be split. The contents are too tiny. You should also remove the borders from the tables and insert two horizontal lines at the top and one at the bottom of the tables.•	
Minor REVISION comments		
Optional/General comments		

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	(If yes, Kindly please write down the ethical issues here in details)
