

Review Form 1.6

Journal Name:	International Journal of Environment and Climate Change
Manuscript Number:	Ms_IJECC_88834
Title of the Manuscript:	Effect of Nano zeolite, Nano micronutrients and biocapsules on plant growth, head yield and quality of Broccoli (<i>Brassica oleracea varitalica</i>)
Type of the Article	

General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<https://www.journalijecc.com/index.php/IJECC/editorial-policy>)

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	Language and punctuation revision are needed especially in the Abstract. References must be cited in the Introduction. The tables should be cited in the text. Methodology of measuring the plants' traits should also be mentioned, as well as the statistical computing instruments. And statistical significance should be presented next to the figures in the text whenever is the case.	
Minor REVISION comments		
Optional/General comments	The research is interesting and useful the more so as nanotechnology techniques are very important for agriculture's future. The presentation needs more clarity by first revising language, typing, and punctuation.	

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	(If yes, Kindly please write down the ethical issues here in details)
