Type of the Article	Original Research Article

### General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<https://www.journalijecc.com/index.php/IJECC/editorial-policy> )

### PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<b>Compulsory</b> REVISION comments	My Questions and Comments are list below: 1. The work is well written and provides good results, which are properly presented, but their discussion can be deepened. 2. Author has used keyword "Ground nut & Surface area" but this keyword not more used in rest of manuscript. Reason? 3. Required to add more references. Also use same format for reference writing. 4. References are not cited. Authors are advised to cite all references properly	
<b>Minor</b> REVISION comments		
<b>Optional/General</b> comments	Overall manuscript match to the journal criteria so I would like to accept after the above comments modifications.	

### PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	(If yes, Kindly please write down the ethical issues here in details)
