

Review Form 1.6

| | |
|--------------------------|--|
| Journal Name: | International Journal of Environment and Climate Change |
| Manuscript Number: | Ms_IJECC_90100 |
| Title of the Manuscript: | Performance of wheat genotypes under late sown conditions in eastern region of Uttar Pradesh |
| Type of the Article | Original Research Article |

General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<https://www.journalijecc.com/index.php/IJECC/editorial-policy>)

PART 1: Review Comments

| | Reviewer's comment | Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here) |
|-------------------------------------|--|---|
| Compulsory REVISION comments | <ul style="list-style-type: none"> • Check the manuscript for the corrections given in red • The results of soil pH, organic carbon, etc, were reported only in the abstract but not found in the result section. WHY? • State the aim or objective of the study in the introduction section • The references cited in brackets which I highlighted in red should be written in old to new order • A description of the methods used in measuring the parameters should be given in the materials and method section to enable replication of the study by other researchers. • Details of the statistical analyses of data should be given in a separate section after materials and methods section • In your results and discussion section, focus on discussing the results of the present study only. • You may consider adding physicochemical parameters of soil such as soil temperature, moisture content, pH, organic matter, etc to this study. | |
| Minor REVISION comments | | |
| Optional/General comments | | |

PART 2:

| | Reviewer's comment | Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here) |
|--|---|---|
| Are there ethical issues in this manuscript? | (If yes, Kindly please write down the ethical issues here in details) | |
