

Review Form 1.6

Journal Name:	International Journal of Plant & Soil Science
Manuscript Number:	Ms_IJPSS_83361
Title of the Manuscript:	Assessing the single and combined toxicity of chlorantraniliprole with <i>Bacillus thuringiensis</i> against maize fall armyworm <i>Spodoptera frugiperda</i> (J. E. Smith) (Lepidoptera: Noctuidae) under laboratory conditions
Type of the Article	Original Research Article

General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<https://www.journalijpss.com/index.php/IJPSS/editorial-policy>)

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	<p>Separate the results section. Use one for the actual results, one for discussion of results and have a concluding section.</p> <p>Format tables and graphs to the journal specifications along with section title headings.</p> <p>Perhaps add another paragraph to the literature review. The one here is short in length.</p>	
Minor REVISION comments	Check for grammatical errors and sentences that do not flow together well.	
Optional/General comments	This is a very interesting paper with the potential to have a big impact on Indian agriculture. The research is concise and the results are promising.	

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	(If yes, Kindly please write down the ethical issues here in details)
