

Review Form 1.6

Journal Name:	International Journal of Plant & Soil Science
Manuscript Number:	Ms_IJPSS_86206
Title of the Manuscript:	Effect of Foliar Spray of Nitrogen and NAA on growth and yield traits of cowpea (<i>Vigna unguiculata</i> L.).
Type of the Article	Original Research Article

General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<https://www.journalijpss.com/index.php/IJPSS/editorial-policy>)

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	<ol style="list-style-type: none">1. The Introduction part should be elaborated a little bit by adding latest statistical data of cow pea as you have mentioned its low production in the country.2. Discussion part for some parameters like Seed index(g) and Haulm yield(kg/Ha) are missed out which is the most crucial and important part of a research.	
Minor REVISION comments	<ol style="list-style-type: none">1. As a writer or author, mistakes like 2 % (as there should not be space between numerical figure and symbol '%'.) should be avoided.2. Under Seed yield parameter, in second sentence, a pronoun 'which' should be removed to make the sentence meaningful and grammatically correct.	
Optional/General comments		

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	(If yes, Kindly please write down the ethical issues here in details)
