

Review Form 1.6

Journal Name:	International Journal of Plant & Soil Science
Manuscript Number:	Ms_IJPSS_86808
Title of the Manuscript:	Changes in teak germination and seedling growth induced by pre-sowing seed treatment with electromagnetic field and microwave radiation
Type of the Article	Original Research Article

General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<https://www.journalijpss.com/index.php/IJPSS/editorial-policy>)

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	This article is generally well written. The conclusion is supported by detailed experiment data and methods. In the introduction section, it could be a little difficult for readers to understand the main contribution of this paper. It would be helpful to use just two or three sentences as a separate paragraph to specifically clarify that.	
Minor REVISION comments	Readers would be interesting to know the interaction effects of both treatment methods. But it is not mentioned in this article.	
Optional/General comments	None.	

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	<u>(If yes, Kindly please write down the ethical issues here in details)</u>
