

Journal Name:	International Journal of Plant & Soil Science
Manuscript Number:	Ms_IJPSS_89034
Title of the Manuscript:	Long Term Impact of Fertilization and Intensive Cropping on Maize Yield and Soil Nutrient Availability Under Sandy Clay Loam Soil (Inceptisol)
Type of the Article	Original Research Article

General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<https://www.journalijpss.com/index.php/IJPSS/editorial-policy>)

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	<p>This manuscript does not discuss the results obtained, it does not explain the reasons for the results and the relationships, therefore, I suggest the authors add a couple of discussion paragraphs with other papers.</p> <p>The manuscript is interested. However, there are some comments that should be considered before publication, in this way the scientific quality of the manuscript would be improved.</p> <p>Authors should consider the corrections suggested by the reviewers. In this way the postulated manuscript would be presented reasonably, fluently reading.</p>	
Minor REVISION comments	Suggested citations are for genuine scientific reasons that emphasize the current topic of study in context	
Optional/General comments		

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	(If yes, Kindly please write down the ethical issues here in details)
