## Review Form 1.6

### PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<b>Compulsory</b> REVISION comments		
<b>Minor</b> REVISION comments	<p>Manuscript entitled "Effect of organic and inorganic fertilizers on plant growth and pod yield of cluster bean (Cyanosis tetragonoloba".</p> <p>In this paper, the researchers conducted an experiment on cluster bean to discover the best suitable mixture of organic and inorganic fertilizers to improve vegetative growth and yield of cluster bean.</p> <p>The experiment includes organic manures like FYM, Poultry Manure, Vermicomposting, and Goat Manure which were combined in different percentages with a reduced dosage of inorganic fertilizers.</p> <p>In order for the paper to appear better, please make the following notes:</p> <ol style="list-style-type: none"><li>1- in abstract, it is preferable to determine the mixing ratios of the fertilizer materials.</li><li>2- Keywords should be five or more words.</li><li>3- The introduction needs more modern reference&gt;</li><li>4- Rewrite a paper because there are no breaks between one sentence and another in many places</li><li>5- A detailed discussion of the results, citing recent references.</li><li>6- Reformulate the discussion because it does not include a presentation of the results.</li><li>7- Use journal template for the manuscript and references</li><li>8- Rewrite the paper as there are many grammatical and typographical errors</li></ol>	9-
<b>Optional/General</b> comments		

### PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<b>Are there ethical issues in this manuscript?</b>	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
