PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	<p>Introduction: Author needs to include references. Also Author did not introduce the fruits properly. What kind of plant is the Aonla plant as well as the seasonality of the plant. Also in the the author failed to mentioned other possible product that could be gotten from the Aonla plant. Only mentioned the powder.</p> <p>Material and methods</p> <ol style="list-style-type: none"> 1.If its possible kindly include the Mapping location of the experiment site. 2. It would be fine to include the University name as well as what RVSKVV means. 3. Was this the period of harvesting or Life span of the plant. You need to clarify this. 4. Is this method a completely new approach or it was adopted. If its was adopted please add reference. 5. Do you mean total soluble solids for TSS, if yes. Kindly include. 	
Minor REVISION comments		
Optional/General comments	The English language usage needs to be improved upon	

Review Form 1.6

PART 2:

	Reviewer's comment	Author's comment <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Are there ethical issues in this manuscript?	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
