

## Review Form 1.6

Journal Name:	<a href="#">International Journal of Plant &amp; Soil Science</a>
Manuscript Number:	Ms_IJPSS_89379
Title of the Manuscript:	Effect of Sulphur and Boron on Growth and Yield of Boro Rice in Calcareous Soil of Bangladesh
Type of the Article	Original Research Article

### **General guideline for Peer Review process:**

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<https://www.journalijpss.com/index.php/IJPSS/editorial-policy> )

### **PART 1: Review Comments**

	<b>Reviewer's comment</b>	<b>Author's comment</b> (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<b>Compulsory</b> REVISION comments	Are there any nutritional differences between the two compounds? Is boron toxic to the environment? (animals and insects) What are the special applications of this research? When so many studies are being conducted with different methods, then what is the primary objective of your study?	
<b>Minor</b> REVISION comments	In a soil that already contains nitrogen, phosphorus, and potassium, how would zinc make a better combination? Please go through the results	
<b>Optional/General</b> comments	There have been many studies related to this. Check the alignment	

### **PART 2:**

	<b>Reviewer's comment</b>	<b>Author's comment</b> (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<b>Are there ethical issues in this manuscript?</b>	<i>(If yes, Kindly please write down the ethical issues here in details)</i>	

### **Reviewer Details:**
