

## Review Form 1.6

Journal Name:	<a href="#">International Journal of Plant &amp; Soil Science</a>
Manuscript Number:	Ms_IJPSS_89701
Title of the Manuscript:	Integrated Zinc and Iron management practices for enhancing productivity and flower quality of Marigold
Type of the Article	Original Research Article

### **General guideline for Peer Review process:**

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<https://www.journalijpss.com/index.php/IJPSS/editorial-policy> )

### **PART 1: Review Comments**

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<b>Compulsory</b> REVISION comments	➤ <b>The numbers in the table are notated so that it is easier to compare between treatments in the study</b>	
<b>Minor</b> REVISION comments	➤ The writing of the bibliography is inconsistent, some use names and years, some are in the form of numbers, and the writing of numbers for library sources is not sequential.	
<b>Optional/General</b> comments	➤ The writing of the article is quite good, but in my opinion, is the data written in accordance with reality?, because all parameters the results are the same without exception, the highest treatment is T6 followed by T8 and the lowest is T1	

### **PART 2:**

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<b>Are there ethical issues in this manuscript?</b>	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
