Compulsory REVISION comments		
Minor REVISION comments	<ul style="list-style-type: none">Write keywords, not sentences wordsIn methodology, certain passages need to be reviewed (mentioned on the document)	
Optional/General comments	Document very well presented and well structured. The study carries a lot of detail and analysis. However, it is preferable to reduce unnecessary details to present a document that summarizes the essentials. In my opinion, I consider that the document is very long for a scientific article
