PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	This paper is very interesting, it just need a minor revision for: <ol style="list-style-type: none">1. Correcting grammatical and typographical errors.2. Most references are recent, but need reformatting as per the journal's instructions.3. The reference number is mentioned once without repetition for the same paragraph and is placed at the end of the relevant paragraph.4. The conclusions are too brief and need more comprehensiveness.5. Coordination of tables and figures according to the style and instructions of the magazine.	
Minor REVISION comments		
Optional/General comments		

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	<u>(If yes, Kindly please write down the ethical issues here in details)</u>
