PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	I have Highlighted in yellow in the MS all the correction needed to correct 1) Change Phytochemical word throughout the MS in to Physiochemical 2) You have just showed/confirmed different classes of compounds like flavonoid, alkaloid etc. it is not compounding or phytochemicals. So better clearance just modifies it as I have already corrected in your MS and highlighted it yellow. 3) Provide the taxonomist identify the plant and voucher specimen number? I have marked it in plant collection section in the MS and highlighted it yellow.	
Minor REVISION comments	Please give space before and after the citation numbers. Check the English grammar and spelling.	
Optional/General comments		

PART 2:
