PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	<ol style="list-style-type: none">1 English grammar needs major corrections.2 References do not follow the same pattern.3 In my opinion, this research must be reported as a short communication not an original research article.4 Why in the abstract part, the study design is "<i>in vitro</i>"?? There is no more explanation for <i>in vitro</i> condition in the main text.5 Numbering of subtitles in some cases is repetitive and must be revised.6 The aim of study is not very convincing.	
Minor REVISION comments		
Optional/General comments
