PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	<ul style="list-style-type: none"> - Lot of grammatical errors are there in the whole case report. Sometimes the meaning of the line is not conveyed. Moreover, tense in whole report is variable. Some are highlighted in the article. Author may kindly check. - Socio-economic "status" may be used in place of "level" and author may mention that how he/she has calculated that. - Key words must include "Miliary tuberculosis" - Introduction- Author may kindly give the recent data instead of 2018 data. - Word limit is exceeding according to journal guidelines, a case report should be within 2000 words. Please check - Figures to be limited to 5. Present case report has 6 figures. - References should be cited according to journal guidelines (Vancouver style) Author may kindly look into this. - Instead of "infrequency" of case, author may use some more appropriate word like "rare" case. 	
Minor REVISION comments	Grammatical errors need to be corrected	
Optional/General comments	Nice case report of a rare case but needs some revision.
