PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	Substantial material in tables, convert as many as possible into figures with bar or line charts. Show length of stay as a frequency distribution as this will be highly skewed, does the skew change over time. Do you have any additional material of interest such as patient costs? This is a fairly bland study and requires more references regarding international comparisons.	
Minor REVISION comments	Too many instances of a space missing between words, etc	
Optional/General comments
