PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments		
Minor REVISION comments	This is a very interesting case report. This case may highlight the clinical implication when evaluating a patient with clinical presentation of acute abdominal pain/acute abdomen. Minor revision is advised: 1. Correct several typing error 2. The discussion section should be condensed and shortened	
Optional/General comments	It is my personal opinion that this case report has the merit for publication.	

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	(If yes, Kindly please write down the ethical issues here in details)
