PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	<p>The purpose of the manuscript is to present a study on the "Quality of References Transcription of Theses at the Faculty of Medicine of Setif - Algeria".</p> <p>The topic is important, interesting and is in line with the scope of the journal.</p> <p>The applied statistical method is adequate for the study. The statistics is good. The study is interesting and the paper is worth accepting. Yet, some corrections and editing are necessary:</p> <ol style="list-style-type: none"> 1. Applying spell and grammar check will help to avoid spelling mistakes and typo errors, including missing commas, spaces, unifying the script of the text, etc. 2. Remove text duplication on page 3. 3. References need second read and corrections. This part of the article must be perfect as the focus of the authors is the "quality of references transcription". Presenting everything – names, titles, etc., in capital letters does not add additional value to the references. Please pay special attention to No. 25. Cite it correctly. The precise citation is: Boly, A., Tachfouti, N., Zohoungbogbo, I. S. S., El Achhab, Y. & Nejari, C. (2014). [Assessment of the methodological quality of these submitted to the faculty of medicine Fez]. http://applications.emro.who.int/EMHJ/V20/05/EMHJ_2014_20_5_340_346.pdf World Health Organization, Regional Office for the Eastern Mediterranean. https://apps.who.int/iris/handle/10665/250605.
