### General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<https://www.journaljammr.com/index.php/JAMMR/editorial-policy> )

### PART 1: Review Comments

|                                     | Reviewer's comment   | Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here) |
|-------------------------------------|--|---|
| <b>Compulsory</b> REVISION comments | <ol style="list-style-type: none"><li>1. Title is informative but it is not describing that either it is review article or research article</li><li>2. the abstract is not attractive, authors need to revise/improve the section of methodology and results</li><li>3. If this is a review article then why the section of results has been added in abstract</li><li>4. There is no sequence of heading numbering</li><li>5. The authors reviewed the articles and mentioned only single article in a single paragraph. It is a very old style to write any review article. The authors must follow the systematic use of citations and give credit to all relevant studies</li><li>6. There is no page numbers and line numbers to give any specific comment</li><li>7. Add more data regarding this heading ""5 EBV"</li><li>8. Conclusion section need improvements and must be in a single paragraph</li></ol> |   |
| <b>Minor</b> REVISION comments      |  |   |
| <b>Optional/General</b> comments    |  |   |

### PART 2:

|  | Reviewer's comment   | Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here) |
|--|--|---|
| Are there ethical issues in this manuscript? | <u>(If yes, Kindly please write down the ethical issues here in details)</u> |   |

### Reviewer Details:

|                                  |                                |
|----------------------------------|--------------------------------|
| Name:                            | Mujahid Farid                  |
| Department, University & Country | University of Gujrat, Pakistan |
