(<https://www.journaljeai.com/index.php/JEAI/editorial-policy> )

### PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<b>Compulsory</b> REVISION comments	<p><b>Revise the abstract and key words with the addition of correction suggested. Introduction need to improve as suggested</b>, author given the little importance of chemical fertilizer that is not treatment but not given the importance of improved varieties and time of planting. Also not given the earlier status of planting of broccoli in the study areas. Importance was not given by the work of the previous studies conducted with references.</p> <p>Required to revise the materials and methods with the incorporation of corrections. There is need to revise the results and discussion as suggested. Need to avoid repetition strictly.</p> <p>Very very poor presentation</p>	
<b>Minor</b> REVISION comments	Author don't know to write the curd yield with units, also don't know writing treatments , using the same wording everywhere, that is need to be changed strongly.	
<b>Optional/General</b> comments		

### PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
