PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	This is an empirical work and original work. The work is pertinent to agriculture, rural development and agro-farmers' context of research. Effects of livelihood diversification on the well-being of cocoa farmers in rural Cameroon is an important area of scholarly concern and also for the ministry of agriculture and rural development. Not major changes is required , unless author decides to add few ethnographic case studies .	
Minor REVISION comments	Not needed but please check the bibliography and citation once again	
Optional/General comments	The work is an original work examining sustainable livelihood and issues of diversification for coca farmers in South West region of Cameroon. Scholar has done a detail study using relevant quantitative test like KMO and Bartlett's Test to substantiate argument and to enrich the discourse. Variables have been chosen wisely and correlated and examined well.	

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	<u>(If yes, Kindly please write down the ethical issues here in details)</u>
