PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	The article is good and well presented. In the ABSTRACT, you have a sentence, "For the last two decades, Bangladesh is also approaching a stable growth, around 6.5% per year, and has the ambition to achieve around 8% this year." Rephrasing required to correctly mention the year being referred. I think your article has a possibility of being published 2022, yet it seems you referred to 2021.	
Minor REVISION comments	In section 9, there is a statement, "As a result, the expected inflation rate remained in between, as mentioned above in case iv. " Consider referring equations in brackets or italicizing. For example, (iv) or <i>iv</i>	
Optional/General comments	The article is well structured with its contents well researched. The issue of Bangladesh and Japan lessons have been well articulated. The recommendations are well presented.	

Comment [WGB1]: Rephrasing required to correctly mention the year being referred. I think your article has a possibility of being published 2022, yet it seems you referred to 2021.

Comment [WGB2]: Consider referring equations in brackets or italicizing. For example, (iv) or *iv*
