PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	<ul style="list-style-type: none"> Change the title of manuscript as: "Libyan Tourism Crisis Planning and Stakeholder Responses", as the manuscript deals only with tourism crisis planning and not with general national crisis planning. What are the objectives of study? The information on international tourists arriving in Libya should be provided for the years 2020-21 to know the effect of Covid crisis. How are the factors affecting tourism policy implementation different from the existing studies. What are the policy conclusions of your study? 	
Minor REVISION comments	<ul style="list-style-type: none"> Libyan National Tourism Plan (LNTP) , objectives, Comprehensive Plan, Ambitious plan too big etc .could be written as Annexure, after references, as it is not a part of present study. How are the implementation challenges of present study different from the existing studies. 	
Optional/General comments	<ul style="list-style-type: none"> The manuscript could be re-arranged and focus on objectives of study, data collection methodology, data analysis and conclusions.
