	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	<ol style="list-style-type: none"> 1) The proposed paper may have to completed with fundamentals of inherent problems of traffic movements. Those may include issues of traffic regulations, supporting infrastructures, driver behaviours, and traffic enforcement. 2) Since Africa is a continent shape, it is supposed to have no geographical border, so seamless transport system (mainly land transport) should have integrated regulation (ie., cross border among countries). This paper may have to discuss them with some underlying issues. 3) Discussion would be worthwhile if some logistics/physical distribution is discussed elaboratively, as it may come up more critical and needed within the transportation problem. This logistics issue is not only crucial in the sense of fulfilment but also in the context of high-cost economy occurring. 	
Minor REVISION comments	<ol style="list-style-type: none"> 1. There are a lot of typo's to be rewritten 2. Formula(s) should be rewritten according to standards of publication 3. Any analyses should be depicted with related references and their basis
