

Review Form 1.6

Journal Name:	Journal of Engineering Research and Reports
Manuscript Number:	Ms_JERR_85190
Title of the Manuscript:	Quality And Sustainability Of Engineering Education: The Role Of Teacher - Student Performance Evaluation Review
Type of the Article	Original Research Article

General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	<ol style="list-style-type: none"> 1. References might considerably be less than 10 years. 2. Writing system of conjunction "therefore" should be improved. 3. Writing system of comma should be improved. 	
Minor REVISION comments	<ol style="list-style-type: none"> 1. "In a explorative study aimed at ..." should be "In an explorative study aimed at ..."; 2. "The unique characteristics of teachers was also compared with average performances ..." should be "The unique characteristics of teachers were also compared to average performances ..."; 3. "The summary results for five consecutive academic sessions, was used ..." should be "The summary results for five consecutive academic sessions were used ..."; 4. "... respectively while p-values of 0.233, 0.956 and 0.025 was equally obtained accordingly." should be "... respectively while p-values of 0.233, 0.956 and 0.025 were equally obtained accordingly."; 5. "... and programs to establish, equip and trainings ..." should be "... and programs to establish, equip and train ..."; 6. "... to determine one's career paths amongst students/staff ..." should be "... to determine one's career path among students/staff ..."; 7. "... it has therefore become a topical issue in public discussion." should be "... it has, therefore, become a topical issue in public discussion."; 8. "... and so do lecturers blame poor performances too, on students' distracted lifestyle and other factors ..." should be "... and so do lecturers who blame students' distracted lifestyle and other factors ..."; 9. "... it is therefore expected that good thinking, produces good product." should be "... it is, therefore, expected that good thinking produces good product."; 10. "Faculty/departmental staff also need more accurate and valid data ..." should be "Faculty/departmental staff also needs more accurate and valid data ..."; 11. "... staff will have better measures of positive improvement and progression." should be "... staff will have better measurement of positive improvement and progression."; 12. "This therefore presupposes that, ..." should be "This, therefore, presupposes that ..."; 13. "This too is applicable to students, ..." should be "This, too, is applicable to students, ..."; 14. "An ongoing project and vision in one of these universities for instance, provides ample opportunity ..." should be "An ongoing project and vision in one of these universities, for instance, provides ample opportunity ..."; 15. "We must therefore encourage faculty/departmental members to perform evaluation ..." should be "We must, therefore, encourage faculty/departmental members to perform evaluation ..."; 16. "Employee performance therefore is proportional ..." should be "Employee performance, therefore, is proportional ..."; 17. "Performance therefore, is an outcome or result of an individual's actions ..." should be "Performance, therefore, is an outcome or result of an individual's actions ..."; 18. "These tends to raise further questions as to other germane ..." should be "These tend to raise further questions as to other germane ..."; 19. "When performance is correlated and compared with qualification, ..." should be "When performance is correlated and compared to qualification, ..."; 20. "This therefore paves way for gender equality ..." should be "This, therefore, paves way for gender equality ..."; 21. "When the cumulative performance of students was compared with the years of lecturers' experience, ..." should be "When the cumulative performance of students was compared to the years of lecturers' experience ..."; 22. "This should therefore, also raise a red flag for the department, ..." should be "This should, therefore, also raise a red flag for the department, ..."; 23. "... strong positive relationship between performance and variables such as qualification and gender whereas a negative and ..." should be "...strong positive relationship between performance and variables, such as qualification and gender, whereas a negative and ...". 	
Optional/General comments	Statements that are quoted in that work should be written properly.
