### PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<b>Compulsory</b> REVISION comments	<b>Additional information on the recruitment is still needed. Where did the authors collect the participants, and how did they approach them? Please provide strengths and limitations of the research prior to the conclusion.</b>	
<b>Minor</b> REVISION comments	There is information in the methods section that I believe is more appropriate if it put in the results. The abstract needs more information in the method section. See the reviewed article for more detail revision.	
<b>Optional/General</b> comments	I found the article is very interesting; many aspects have been accounted to see the bigger picture of the topic. It is also clearly written and enjoyable to read.	

### PART 2:
