PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	<ol style="list-style-type: none"> 1. The Manuscript's abstract needs to mention the treaties to be addressed in the study and more details about how to handle the research problem. 2. The author did not specify the international treaties and agreements under study in the scope of the study, and it is better to mention them so that the reader is aware of sufficient details about the subject of the study. 3. The author should deal with more details about the treaties and their impact on historic buildings. 4. The conclusion needs more details about the topic of the study. 5. The Manuscript is good, and the topic is essential, but it needs slight modifications; and I wish the researcher success. 	
Minor REVISION comments	The researcher must abide by the minor modifications I mentioned above.	
Optional/General comments
