PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	<ol style="list-style-type: none">1. Throughout the text, figures and tables, minor corrections of language are given in 'red colour' font, including those of 'strikethrough', for better reading. The authors should carefully go through the above and if they accept the corrections, the font colour should be changed to 'black'.2. Figure 1 needs to be redrawn as the letters, especially in 'A' and 'B', are too small in size to read. The size of the figure may be increased so that letters of the names of the places can be easily read.3. Table 3: The 'columns' should be set properly so that the matter on top and the numbers below in respective columns should be in proper alignment.
